

CLASS OF 1965

Class Dues

Our Class Dues help support the costs of the alumni magazine, newsletters, website, donations to everything from athletics to Native American programs, class projects, reunions and all the other ongoing expenses that keep your Class operating.

As reported last year, Steve Waterhouse completed and released *A Passion for Skiing* and this fall our Class will distribute copies of the book to every member of the matriculating Class of 2015. Steve is now working on Phase 2 of this project, a film documentary on the book, and all donations directly to the project will be much appreciated. You can learn more about the book by visiting the web site <http://www.passionforskiing.com>

As in the past few years, our main objective is to continue to increase the number of classmates who participate in Class activities, mini-reunions and meetings around the country. Please support your Class by making your \$65 dues payment now and by including with it an extra contribution to support our project initiatives. You can find additional information about all of this on our Class website at <http://www.alum.dartmouth.org/classes/65>

Thank you for your past support and I appreciate your participation this year.
